As a school we are committed to providing premises that are suitable and sufficient for all educational purposes and give access to a broad and balanced curriculum for all students, irrespective of any special need or disability in compliance with the Equality Act 2010, Paragraph 3, Schedule 10.

Parkwood Primary's Governing Body supports the principles and aims of the LA's Access Strategy for Schools and Colleges and will work jointly with the LA to implement agreed objectives to meet the county's targets for improving access to schools and colleges.

This Plan underpins the LA's strategy for planning to improve access at a local level, by committing the school to a programme of actions, evaluations and review which will improve access to the curriculum for students with special needs and disabilities. This Plan operates alongside the school's SEND Policy and is consistent with it in terms of principles and approaches to resourcing.

The school will actively seek to improve access to services in the ways set out below and will maintain an action plan which sets out the steps the school will take to achieve this. The action plan will be reviewed annually and updated to take account of improvements made, future resource availability and changing needs in the target areas:

- Ensure the curriculum is differentiated to meet the learning needs of the pupils with SEN and disabilities and that target setting is effective and appropriate for these pupils.
- Make available the written material usually provided to all pupils in an appropriately presented form where necessary to SEN and disabled pupils, including pictorial and oral formats and also to ensure that classroom organisation is planned to maximise learning opportunities.
- Manage and improve the physical environment of the school buildings and grounds to meet the needs of a range of disabled pupils currently on roll and any prospective pupils.
- To establish a culture of mutual trust and respect between all members of the Park Wood Schools Federation community.
- To build a community that respects the celebration of achievement at all levels.
