Christmas Stamps

Thanks to the generous sponsorship of Mortgage Advice Bureau Kent (MABK), this year Parkwood children can choose from five specially designed festive stamps to add to their Christmas card envelopes, to be posted in the school postbox (labelled with name & class please) and delivered to their friends.

Extra sheets can also be purchased to brighten up cards outside of school, if you wish.

A sheet of 35 stamps (7 of each design below) is £1 and all the money raised will go towards the PSA's Christmas Fundraising focus to purchase large smart screens for both school halls.

(Cards without stamps will still be delivered - this is just for a bit of extra fun & fundraising).

Order online via link or QR code below and sheet(s) will be delivered to classrooms.

For every sheet purchased, your name will be entered into a prize draw (2 sheets = 2 entries etc.) and 3 lucky children will receive a £10 voucher for Smyths Toys, kindly donated by
