

Local parking

Sent By: Mrs Lee-Marie McCormack

Dear Parents/Carers,

As a school, we are very fortunate to have the carpark opposite the school. I appreciate that spaces can be very limited at times. When this is the case, and you choose to park on residential roads, we ask that you do so safely and respectfully. Our local neighbours, like all people, need to be able to access the driveways freely and cars need to be able to move around corners without cars being parked without due care and attention.

We will ask the civil enforcement officer to visit local roads surrounding the school to support us in making Parkwood a safe and respectful place to be.

Kind regards,

Mrs McCormack
