Dear Parents/Carers,

Below, you'll find a link that will allow you to record a message for Mr Moir. The videos will be compiled into a longer montage of messages that will lift his spirits whilst he undergoes his treatment.

Please record your messages in a landscape format.

Any handwritten messages can be sent/given to the office. Also, the collection for Mr Moir will remain open in the office until the end of the first week back. We hope to give his family some money towards making some memories together.

Feel free to share the link with the wider community.

Kind regards,

Mrs McCormack
