

Every Little Helps!!

A great start to a new fundraising year as our application (thanks to the PSA secretary) to the Tesco Stronger Starts as been successful.

We will be put forward to a customer vote in both the Rainham Shopping Centre (ME8 7HW) and Lordswood Chatham (ME5 8TH) Tesco stores, where you can vote for us in-store from the first week of October 2023 until Mid January 2024.

Please share and encourage local friends, family, contacts etc to ask that they put their token ● (available with any transaction) in our section, and we will receive between £500 and £1500, depending on votes. This will fund more activities and resources for the school.
