Hi

Medway council are asking for Medway residents to comment on the availability of alcohol in Medway and an opportunity for all to describe their experiences about the impact it has, good or bad. The evidence they get from this survey will be used to support the alcohol licensing policy which restricts the granting of alcohol licences in areas of Medway.

Background Information

Licensed premises, such as pubs, bars, restaurants and shops selling alcohol are an important part of Medway`s economy. However, in certain areas and circumstances, residents have reported that the number, type and density of licensed premises have caused problems in the past. Examples of the issues reported include alcohol related crime, noise, litter and anti-social behaviour. Medway Council is responsible for granting licenses for sale of alcohol including for pubs, bars, nightclubs, restaurants and off licences.

The Purpose of this survey

This is your opportunity to comment on the availability of alcohol in Medway and to describe your own experiences about the impact it has, for good or bad. The information will allow Medway Council to present community views as part of the review of licensing policy in Medway. The survey is voluntary, and you do not have to complete it. No personal details are required and it is completely anonymous. It should only take a couple of minutes to complete.
