Dear Parents/Carers and Staff,

Academy Status and joining The Primary First Trust: Your Response

We wrote to you last week to open the consultation period on our proposal to convert to academy status and join [The Primary First Trust](#). We hope you have now had the opportunity to seek answers to your questions and find out more about the process and what this means for our school and wider community.

We would now like to invite you to respond to the proposal. We would be grateful if you could do this by completing a short survey: [Proposal Questionnaire](#)

This survey contains one question:

Having considered the information provided by the Governing Body and available on the school website, do you agree that the school should go forward and convert to academy status within The Primary First Trust?

Your responses will be considered by the governors and will form part of a report to The Department for Education.

Information about the process can be found on our website:

<https://www.parkwoodprimary.org.uk/page.aspx?id=WOXSQVVM3BJSEUSFFNLW>

There is still the opportunity to ask questions [here](#).

Please submit any questions or responses by Friday, 15th November 2024.

Yours sincerely,

Steve Pollard and Nabil Mugharbel
Co-Chairs of Governors
