

Dear Parents

On Monday, could you provide your child with a 'bag for life' type carrier bag, so that they can keep their coat in it during the day. When the children wear their coats home, they will then be able to keep their own bag for life inside their smart sacks in school, overnight. Ready to use the next day.

If you don't have a bag for life, please send one in at the earliest opportunity.

If it is warm and they aren't wearing a coat, they can still bring in a bag, ready to use when they start to wear a coat.

Kind Regards

Mr Moir
Headteacher
