We Are Going Cashless

We're pleased to announce that from next week, **Tuesday 9th February** (***for the booking of school lunches after half term***) we will be using +Pay an online payment platform, which will make it far easier for you to book and pay for your child's school lunch and school trips etc.

+Pay is the online payments service provided by ParentMail - If you do not have a Parentmail account please email the office and we will send out a link for you to register with ParentMail. Please create your account so you're ready to start booking and paying for school dinners, trips etc with +Pay. It is important that you are registered with ParentMail so that you can book and pay online.

+Pay is on the free mobile 'ParentMail' app available for iOS and Android devices and by the online portal. We highly recommend downloading the ParentMail app as it makes paying quick, easy, and secure. To download the app, go to the Apple App Store or Google Play Store and search 'ParentMail'.

+Pay offers you the options to pay for either by credit card, debit card or PayPal. There may also be an option to add Paypoint in the coming weeks, we are currently looking into this and will let you know the outcome.

Please note:

- Children that are entitled to free school meals will still need to book their lunch online via Parentmail
- There will be a 3 day cut off for lunch bookings
- Any previous debt or credit will be your opening balance

Depending on your payment method, all payments processed through +Pay will display on your bank statement as either our school name or as 'ParentMail'.

For more information or assistance, please visit the ParentMail help site
