

Dear Parents,

We will be celebrating World Book Day 2021 on Thursday 4th March and this year it will of course be a little different. So that all the children can still receive their £1 Book Token we have registered to receive this digitally this year. Below is the link to your token and is valid up until 28th March. There are a selection of £1 books available again this year that you can purchase with your token or you can put it towards a book of your choice. We hope you enjoy reading them!

[£1 book token](#)

Mr Moir will be uploading a special World Book Day assembly and each year group will be focusing on something book related during the week with most happening on the day itself. The Year Teams have planned lots of wonderful activities around books from The Smartest Giant in Town in Foundation Stage, to The Highwayman in Year 6, and of course lots more in between! We hope that both the children at home and school will enjoy celebrating books and reading.

Mrs Pigott
