Morning Families.

Parkwood will be open, but with a slightly later opening time of 9.15. This will give staff and families a little longer to get in safely and a chance for us to do what we can with the site. Sorry if this causes work related issues for parents.

Children can wear a Parkwood jumper, but otherwise, suitable warm clothing.

Pick up time and arrangements will be the same as normal.

We anticipate lots of families will be running late this morning. Please don't rush.

The roads and pavements outside the school aren't great, so please be careful and don't take any unnecessary risks if your personal circumstances make travel impossible. I would simply ask that you ring us to make this clear by 10.30am.

The Year 5 trip has had to be postponed. Sorry!

Those who attend 'Wake and Shake' or 'Talk and Toast', will also have a later start time of 8.30.

See you all at 9.15am. Children can come in, as they do on umbrella days. All children straight to class at 9.15am

Mr Moir
